For

the years of practice and 4am training sessions. For your total dedication and sacrifice. For pushing through the pain, again and again. For falling, getting up and pushing yourself to breaking point. For believing in yourself. For your relentless drive to beat your best. For pushing yourself to breaking point and always going all-in. For giving up everything, for that one thing

the Win.

10 YEARS

Join us to celebrate the 10th edition of the Belgotex Elite Club Challenge! This prestigious event was first played in 2013 with four teams, driven by the initiative of three clubs – Riverside (whose brainchild it was), Wanderers and WPCC Hockey. We are excited to host the 10th anniversary of the event with 24 teams participating, comprising of 16 teams (8 men & 8 women) in the Challenge finals, most having been part of the event's growth since inception; and the first ever additional eight clubs this year attempting to qualify for the 2025 finals.

The event's original intention was to create a competition at a similar level to USSA that exists for non-tertiary hockey clubs, to encourage the sustainability of these clubs. Within this vision, a criteria template was developed which has provided the framework for applications of intent from all participating clubs post 2013.

Perennial success in the provincial leagues is only one of the holistic criteria that are still used today to assess applications in the order that they are received. Historically, winners of provincial leagues would fall into the scope of a national club championship event which is owned by the South African Hockey Association.

From the outset, the three formative clubs intended to eventually expand the BECC Finals in Durban to three annual events – planned to be in Cape Town, hosted by WPCC, and in Gauteng, hosted by Wanderers. The intention of this expansion would be that all three events remain linked to the same theme of growing sustainable clubs. To date – thanks to COVID and other external factors, this desired expansion has not yet got off the ground but is still on the agenda.

During 2014, our loyal and visionary title sponsors Belgotex Sport first partnered with the event. Prior to Belgotex's commitment Riverside (both sports and hockey clubs) had underwritten the event. The unwavering support and sponsorship of Belgotex has not only been instrumental in the tournament's success but has also bolstered confidence in growth of the event through other sponsor interest, which includes Simah, Supersport Bets, Custom Apparel, Future Life, Excellerate Services and Aquelle to name a few. All income generated from sponsorship or otherwise is invested back into the event to make it an even better experience for the players, officials and other participants.

This 10th BECC event is set to be the biggest, best and most exciting ever with an expected turnout of 320 players in this year's Challenge along with coaches, managers, and supporters in addition to the 160 qualifier participants. We look forward to sharing this growth with the club hockey community of South Africa!

THANK YOU for your support! Enjoy a wonderful weekend of PURE HOCKEY ENJOYMENT in Durban!

Yours in Hockey
Chair: Local Organising Committee

10 YEARS

To our valued hockey community,

Welcome to the 10th annual Belgotex Sport Elite Club Challenge! We are extremely excited and proud to once again be a part of this prestigious event.

The Belgotex Elite Club Challenge, hosted by Riverside Sports and Riverside Hockey Club, has grown in strides since its inception in 2013, seeing the addition of more teams, the introduction of female teams, as well as the recent decision to host / a on-site qualifying event.

Our identity as a South African manufacturer forms the cornerstone of our purpose, driving and motivating our brand, with our key focus on our People, Planet, and Product. The Greenfields TX carpets that you will be playing on during this challenge were proudly manufactured in our state of the art factory up the road in Pietermaritzburg. One of the main features of the surface is good ball speed, while reducing the water requirements to still meet top level international hockey player expectations.

We trust that through our support of this event, we will add value to our greater community, as well as this incredible sport that we are all so passionate about. We look forward to hosting you again this year and trust that you will enjoy the experience.

We would like to thank you for your dedication to the game and helping make the Belgotex Elite Club Challenge a success. Keep up the spirit of good sportsmanship.

“Sport has the power to change the world” - Nelson Mandela.

All the best and good luck from the Belgotex Sport team.

REAL RISK MANAGEMENT EXPERTISE

RISK IS EVERYWHERE AND IT'S NOTHING NEW.

As a business person, you understand the broad spectrum of risks your business faces and know that obtaining sound advice on risk management is critical.

We have made it our business to understand yours.

Simah is a non-life, short-term insurance and risk advisor specialising in providing bespoke services and solutions to large corporate and commercial businesses.

With over R1.5 billion in premium volume, we've established a significant footprint in South Africa, with networks that extend across Africa and strategic partnerships that enable us to serve international clients in offshore markets.

Our focus is on managing complex risks, particularly within the private equity and public company markets, as well as within selected state-owned and government sectors.

The “what” is less remarkable than the “how”.

At Simah, we take a vigorous, strategic approach to risk mitigation. Our solutions are tailored to simplify complexity and facilitate growth, ensuring that your business is protected against the myriad of risks it faces in the modern world.

By offering a deeper understanding of the unique risks your business faces, Simah stands out as a partner who delivers more than just insurance – we provide the strategic insight and support necessary for your business to achieve its objectives.

For more information, or to get in touch visit www.simah.co.za
